To Whom It May Concern:

SUBJECT: South Jersey Waterproofing, Inc.
Reference Letter

I am pleased to provide this letter of reference for South Jersey Waterproofing, Inc.

I have continually observed their work for approximately the past 15 years, both in the areas of waterproofing, as well as structural repairs/masonry repairs/wall restoration, and find their work to always be of superior quality.

I believe this company to be a very customer service oriented company, and would be happy and proud to recommend them for any of the types of work as noted; the Falzarano family has always responded promptly and reliable to any "callbacks" or questions, when needed.

Please do not hesitate to contact me should you have any further questions regarding this.

Very truly yours,

LUKOFF ENGINEERING ASSOCIATES
